Dear supplier,

We are writing in relation to the sending of sales invoices to Batz, S. Coop. via email. When issuing invoices in this manner, we request that you please comply with the following requirements:

- Invoices must be sent in PDF format, preferably digitally signed.
- Each PDF must only contain one invoice.
- Each email must only have one PDF file attached.
- The Batz, S. Coop. email addresses to send invoices to are as follows, depending on which Division has issued the purchase order:
  - Stamping Dies Division -> invoicestroq@batz.es (the order number usually begins with a "2")
  - Systems Division -> invoicessis@batz.es (the order number usually begins with a "6")
  - General Services -> invoicesgen@batz.es
- The above addresses must ONLY be used for issuing invoices. You must use the regular email addresses in order to exchange any other information (requests for clarification, ...)
- **In addition to the legally required information, it is also necessary to include the following information on every invoice:**
  - **Order number(s).**
  - **Delivery note number(s), if applicable.**

We strongly request that you comply with the previous points in order to ensure that your invoices are processed as quickly and reliably as possible.
